Please provide us with any information that will help us to better serve your child, including any special needs, diapering/potty training notes, food information for this morning. Our standard snack for ages 1 and over is goldfish and water. Unless specified below, we will change a diaper if needed for children 0-3 years old. Parents of children 3 years and older will be paged if a diaper change is needed.

Welcome to Hope! Upon checking in today, we will provide you with a claim tag for your children. You will need to present this tag to a Children's Ministry Team Member when you pick up any children in Nursery or Pre-School. If you misplace your tag, please visit the Welcome Center for ID verification. Your tag also has a printed paper number for each of your children. If we should need you at any point during the worship service, we will page you with this number on the digital screen in the sanctuary and you can meet us at that child's classroom. (In addition to sending you a text message, if applicable.) (Please note, we occasionally photograph/video our children's programs to be used in service, publications, website, etc. Please let us know if you would like your child excluded from any/all of these.) Thank you!
